

# The Sobell Bridge Club Northwood

## Introduction of Voucher Payments

- The Club is introducing a voucher system for playing sessions on Monday, Tuesday, and Thursday evenings.
- Cash payments will still be accepted at these sessions but the vouchers provide an alternative for members who don't want to fiddle around with cash transactions.
- The vouchers are £4 each and will be sold in blocks of five, (£20), and can be purchased from Lynne Mathys at any of these sessions from June 3rd.
- One voucher should be placed in the monies envelopes on the tables before the start of play.
- These cannot be used for Sims Sessions.
- Sunday sessions and Croxley sessions remain as cash only.
- We hope that this will make payments easier for playing members and those members involved in counting and banking the session monies.
- There is no obligation for members to take up the voucher system.
